

Sacramento Valley Intergroup Traveling Literature Display

Groups! Do you stock literature for members?

Members! Have you been thinking about expanding your personal OA “library”?

Intergroup has a variety of materials that you may wish to look through before ordering. The Traveling Display contains samples of all the books, pamphlets, packets and other materials that are available for purchase through oa.org.

If you would like to have someone bring the Traveling Literature Display to your meeting and speak on the topic of literature as a program tool, send the chairman an email at oaLiterature@sacvalleyoa.org.
